### WHEN CHOOSING A SHREDDER MODEL YOU SHOULD CONSIDER THE KEY TO USE COLUMN:

- 1) A 25 % growth in usage
- 2) How operator-efficient is the shredder model for the application:
  - a) Shredding time
  - b) Frequency of changing the shred bag (cross cut vs. straight cut 1 to 4)

PV Personal volume - desktide use  
 LV Light volume - general office shredder  
 MV Moderate volume - general office shredder  
 HV Heavy volume - centralized office shredder
